Subtotal _______

**Key:**

* = When cross listing do not count credits again.

** = See CLAS Curriculum Guide for explanation of requirements.

C = Courses completed

NC = Courses not yet completed

UD = Upper division courses (300 and above at ASU)

DARS = Degree Audit Reporting System. This column is for advisors’ use only.

/ Check if course is transferring from an AZ school or articulated in DARS.

**How to use this check sheet:**

In each column list the course and prefix number that fulfills the corresponding requirement. In the appropriate column next to the course, write the number of semester credit hours. i.e. if you have completed the course mark the number of hours under the C column. If it is a course for which you have not yet earned a grade, mark the number of semester credit hours under the NC column. If the course is an upper division course (Jr. or Sr. level) also mark the number of semester credit hours in the UD column next to the course.
